Weekly Job Search Report - Alexandra Dedu - 2026-09-23

Executive summary

This run searched for corporate, account-management, customer-success, client-service, customer-operations, sales-operations, onboarding, relationship-management, and support roles in Switzerland, prioritising Basel and nearby locations.

Important limitation: `cv_input/` contains only `.gitkeep`, so Alexandra's CV was not available for this run. Because the workflow requires use of verified CV facts only, no tailored CV or cover-letter documents were generated. The matching notes below use only the role targets and high-level candidate context supplied in the automation prompt, without inventing qualifications, language ability, titles, sales results, or industry experience.

Search sources and quality controls

- Sources checked: employer career pages, jobs.ch/jobup/jobscout mirrors, Jobijoba, LinkedIn snippets, Greenhouse, and other Swiss job aggregators.
- Prioritisation: Basel, Basel-Stadt, Allschwil, Liestal, nearby Swiss locations, then strong Swiss hybrid/remote opportunities.
- Exclusions applied: inaccessible or 404 listings, expired or "no longer accepting" listings, non-Swiss roles, internships/graduate-only roles where not suitable, commission-only or likely below-level roles, and specialist roles requiring unverified industry credentials.
- No applications, accounts, employer contacts, or messages were created or sent.

Ranked shortlist

Rank | Job title | Employer | Location | Source / application link | Posting date | Language requirements | Compensation | Match rationale | Tailored documents

1 | Customer Success Manager, Hospital IT Software | IQVIA | Basel or Risch-Rotkreuz, hybrid | IQVIA careers: https://jobs.iqvia.com/en/jobs/R1564554-0 | Official page did not show date; external sources showed Sep 2026 | German is a must-have; French is a strong nice-to-have. Flag: likely above B2 German. | Not listed | Strongest title and workflow fit: customer success, onboarding, implementation coordination, stakeholder management, renewals, expansion, and account development. Stretch factor: healthcare IT, HIS, HL7/FHIR/API knowledge. | No - CV missing

2 | Account Manager | Netcloud AG | Basel, 100%, permanent | jobs.ch: https://www.jobs.ch/en/vacancies/detail/9eb9871a-e9ea-4e27-a305-64edf124903d/ | 11 Aug 2026 | Very good spoken/written German and good English. Flag: above B2 German. | Not listed; benefits include 6 weeks holiday, flexible hours, home office, training | Strong corporate IT account-management fit: manage and expand Basel customer portfolio, coordinate projects, work with suppliers, represent Netcloud at customers/partners/events. Stretch factor: regional IT network plus cloud/cyber/AI knowledge. | No - CV missing

3 | Customer Success Manager - Customer Experience | isolutions AG | Zurich, Bern, or Basel; travel within German-speaking Switzerland | isolutions careers: https://www.isolutions.ch/en/career/custom er-success-manager-customer-experience/ | Employer page did not show date; jobs.ch/jobup showed 22 Jul 2026 | Excellent Swiss German and very good English. Flag: above B2/native-level German. | Not listed; benefits include home office/workation, central offices, 27 vacation days | Strong customer-success and CRM/customer-experience fit: long-term customer relationships, roadmaps, stakeholder management, quality/timeline/budget ownership, and business-value focus. Stretch factor: Dynamics 365/Power Platform/Copilot and IT-project leadership. | No - CV missing

4 | Service Manager/in Expert | Kanton Basel-Stadt, Finanzdepartement IT BS | Basel, 80-100%, permanent | Kanton Basel-Stadt careers: https://jobs.arbeitgeber.bs.ch/job/Service -Managerin-Expert/1165106955/ | 15 Jul 2026 on jobs.ch/search result | Fluent/stylistically confident German required; English advantageous. Flag: above B2 German. | Not listed | Strong Basel location and credible customer-operations transfer: account/service/demand management, customer needs assessment, offer coordination, escalations, and communication with business and technical teams. Stretch factor: IT service-management depth and higher education requirements. | No - CV missing

5 | Account Manager Spitalkunden, Region Schweiz Mitte | Ambu | Basel / Central Switzerland territory; home-office based with travel | Jobijoba mirror: https://www.jobijoba.ch/detailanzeige/93/d 8a2d0b263b1391462607aaecb591960 | 2 Sep 2026 | Fluent German; negotiation-level French advantageous. Flag: above B2 German. | Listed as fixed salary/bonus, overtime compensation, and company car | Good account-management and healthcare-sales fit: hospital customer development, opinion-leader relationship building, customer presentations/training, complaints handling, Salesforce, and territory planning. Stretch factor: medtech/hospital-sales context and travel. | No - CV missing

6 | Customer Success Manager - SAP Academy for Customer Success - Switzerland | SAP (Schweiz) AG | Zurich-Flughafen, hybrid | SAP jobs: https://jobs.sap.com/job/Z%C3%BCrich-Flugh afen-Customer-Success-Manager-SAP-Academy- for-Customer-Success-Switzerland-%28Hybrid %29-Zuri-8058/1394879433/ | Search result showed 14 Aug 2026; jobs.ch showed 19 May 2026 | Search snippets did not expose a clear language requirement. Verify before applying. | Not listed | Strong employer and corporate career path. Customer success responsibilities include customer lifecycle, retention, renewals, references, upsells, and strategic point-of-contact ownership. Lower rank because the role is Zurich-based,

academy/early-career, and may involve up to 100% travel. | No - CV missing

7 | Regionale/r Kundenberater/in - Basel | Assura | Basel, 60-100%, permanent | Assura careers: https://www.assura.ch/de/karriere/unsere-stellenangebote/kundenberater-aussendienst- basel | Employer page lists application deadline 31 Dec 2026; start ASAP/by agreement | German-language role; explicit level not stated on fetched page. Likely strong German needed for customer advising. | Not listed; discounted health insurance and social benefits mentioned | Regulated insurance-sector customer-facing sales/advisory role. Good fit for client service, relationship building, organisation, and sales orientation. Lower rank because it appears less senior than account-manager roles and requires own vehicle/customer visits. | No - CV missing

8 | Technical Support Specialist (f/m/d) 100% | Luware AG | Zurich, hybrid | Luware careers: https://luware.factorialhr.com/job_posting /technical-support-specialist-f-m-d-100-30 5525 | Not shown | Very good English and native-level Swiss German mandatory. Flag: above B2/native-level German. | Not listed | Customer-facing SaaS support role with enterprise customers, support-case ownership, stakeholder communication, and customer-satisfaction focus. Lower rank because it is technical support rather than account management/customer success, and the language requirement is high. | No - CV missing

Top-role tailoring notes if CV becomes available

No tailored CV or cover-letter documents were generated because the CV is absent. If a CV is added to `cv_input/`, the top 3-5 roles to tailor first would be:

1. IQVIA - Customer Success Manager, Hospital IT Software
2. Netcloud - Account Manager
3. isolutions - Customer Success Manager - Customer Experience
4. Kanton Basel-Stadt - Service Manager/in Expert
5. Ambu - Account Manager Spitalkunden

Tailoring should emphasize only verified CV facts around account management, stakeholder management, client service, customer operations, coordination, onboarding/support, regulated-environment awareness, and transferable iGaming experience.

Excluded or deprioritised roles

Role | Employer | Reason

Assistant Relationship Manager / Account Manager - Basel | Julius Baer | Very relevant private-banking operations/client-service role, but live fetches of jobs.ch/jobup returned 404 during verification. Excluded from ranked list until confirmed open on an employer or reachable job-board page.

Client Service Manager (80-100%) | SIX | Potentially strong financial-market client-service role in Olten, but jobup live fetch returned 404. Excluded until verified open.

Account Manager DACH - SaaS - TMS | Alpega | Search snippet suggested DACH remote, but the live Greenhouse page states remote from Germany or hybrid from Vienna, Austria. Excluded as not Switzerland-based.

Key Account Manager BioPharma | Bio-Rad | Official posting is live and reputable, but it requires biology/life-science education, lab experience, and biopharma/genomics/proteomics sales expertise not verified from the missing CV. Deprioritised as not a direct match.

Enterprise Account Manager | Certara | Official page fetch returned only title/no usable details, so requirements and location could not be verified.

Client Service Manager & Sales Support | Vontobel | Employer URL returned 404 during verification.

Customer Success Specialist - SaaS Contact Center Solution | Luware | LinkedIn result stated applications were no longer being accepted; older mirrors were not reliable enough to rank.

KYC & Client Onboarding Specialist (Avaloq) | Bank CIC (Schweiz) AG | Basel and onboarding-related, but requires bank apprenticeship, 3-5 years KYC/client-opening or compliance experience, Avaloq/FATCA/CRS/VSB, and very good German and French. Too specialist without CV confirmation.

Institutional Sales & Relationship Manager | Basler Kantonalbank | Requires institutional asset-management sales/product expertise, finance degree, broad Swiss institutional network, and financial-market knowledge. Too specialist without CV confirmation.

Sprachgewandte Kundenberater:in Support Basel | Callpoint AG | Below likely experience level and requires Swiss German native plus French C1.

Partnership Manager | Art Basel | Search result showed temporary contract ending April 2026; not currently suitable for a September 2026 weekly run.

Recommended next steps

1. Add Alexandra's CV as PDF or DOCX under `cv_input/` before the next weekly run.
2. Re-run tailoring for the top 3-5 verified roles once CV facts and language levels can be confirmed.
3. Before applying manually, re-open each application link in a browser to confirm the role is still accepting applications and to verify language requirements directly on the employer page.
