Alexandra Basel Culinary & Hospitality Search - Weekly Report

Run date: 2026-09-11

Executive summary

- Reviewed: 36 current listings, source pages, and search-result records across jobs.ch, Jobijoba, Indeed, official employer career pages, Hotelcareer, JobScout24, Jobup, Yousty, and Swiss federal job pages.
- Shortlisted: 10 roles in Basel, Allschwil, Liestal, Pratteln, and nearby Basel-region locations.
- Tailored application documents generated: No. The repository's `cv_input/` folder contains only `.gitkeep`; Alexandra's CV is missing, so producing tailored CV/cover-letter PDFs or DOCX files would require inventing factual work history, dates, education, contact details, languages, or certifications.
- Applications submitted: None.

Candidate context used

The CV source file was not available in this branch. Suitability was assessed only against the automation brief: a career transition from account management/iGaming into culinary, restaurants, catering, hotels, hospitality, and food service. The report therefore emphasizes transferable strengths that are plausible from that brief - customer service, reliability, organization, communication, team coordination, fast-paced operations, and willingness to learn - without claiming professional culinary or hospitality experience.

- Location: Pratteln

5. Bundesamt fuer Zoll und Grenzsicherheit BAZG: Mitarbeiter/-in Kueche, 50%

- Location: Liestal, Kasinostrasse 4
- Source / application link: jobs.admin.ch, https://jobs.admin.ch/offene-stellen/mitarbeiter-in-kueche/9c09d49c-17ef-4c60-9f35-001fb5a283df
- Deadline / start: entry 01.09.2026 or by agreement; permanent.
- German requirement stated: second official language helpful; German level not stated in captured listing.
- Documents generated: no - CV missing.
- Rationale: solid local kitchen/mensa support role covering meal prep assistance, service, dishwashing, cleaning, and event support. Main caution: asks for completed training and/or several years of gastro experience, so this is realistic only if Alexandra can show comparable hands-on experience or strong motivation.

6. Universitaetsspital Basel: Kuechenangestellte*r EBA apprenticeship, 100%

- Location: Basel, Petersgraben 4
- Source / application link: USB careers / Yousty, https://www.yousty.ch/de-CH/lehrstellen/profile/12767657-kuechenangestellte-r-eba-basel-bs-universit aetsspital-basel
- Deadline / start: starts 03.08.2027; fixed to 31.07.2029.
- German requirement stated: not stated in captured listing.
- Documents generated: no - CV missing.
- Rationale: excellent formal transition route: two-year kitchen assistant apprenticeship with food prep, cold/warm dishes, service, cleaning, stock handling, and possible shortened Koch EFZ afterwards. Best if Alexandra is open to apprenticeship pay/timeline.

7. Universitaetsspital Basel: Systemgastronomie Fachmann / Fachfrau EFZ apprenticeship, 100%

- Location: Basel, Petersgraben 4
- Source / application link: USB careers / Yousty, https://www.yousty.ch/de-CH/lehrstellen/profile/8839363-systemgastronomiefachmann-frau-efz-basel-bs- universitaetsspital-basel
- Deadline / start: starts 02.08.2027.
- German requirement stated: not stated in captured listing.
- Documents generated: no - CV missing.
- Rationale: strong fit for a business-to-food transition because it combines guest service, kitchen work, buffet/cafeteria operations, purchasing, simple calculations, hygiene, and process discipline.

8. Compass Group (Switzerland) AG: Betriebsmitarbeiter Catering 80-100% (m/w/d)

- Location: Basel
- Source / application link: Jobup, https://www.jobup.ch/en/jobs/detail/54e00c64-5a68- 4838-b885-501f4f527c47/
- Deadline / start: posted 25.07.2026; permanent.
- German requirement stated: good spoken and written German; English/French advantageous.
- Documents generated: no - CV missing.
- Rationale: good corporate catering entry if service experience is accepted as transferable: events, buffet presentation, cashiering, cleaning, catering delivery, HACCP/EKAS compliance, mostly weekday hours. Caution: asks for gastronomy or service-sector experience and an impeccable reputation.

9. Gastrag AG - Mister Wong: Koechin/Produktionsmitarbeiterin (m/w), 10-100%

- Location: Allschwil / Basel / Oberwil / Reinach
- Source / application link: Gastrag careers, https://www.gastrag.ch/open-positions/
- Deadline / start: per sofort or by agreement.
- German requirement stated: good German; permit/citizenship requirement appears in aggregator details.
- Documents generated: no - CV missing.
- Rationale: useful lower-rank option because Gastrag lists several local production/kitchen openings and partial workloads. Cautions:

wording asks for cooking knowledge, good German, willingness for evenings/weekends, and Swiss citizenship or B/C permit in one captured listing.

10. Genossenschaft Migros Basel: Gastro Hilfskraft Hausbaeckerei Migros Bahnhof SBB, 100%

- Location: Basel, Centralbahnstrasse 10
- Source / application link: Migros Jobs, https://jobs.migros.ch/de/unsere-unternehmen/job/genossenschaft-migros-basel/gastro-hilfskraft-hausb ackerei-migros-bahnhof-sbb/7d66c8f1-8246-4ae8-a99a -5c3aa2814535
- Deadline / start: posted 14.06.2026; per sofort or by agreement.
- German requirement stated: very good German is mandatory.
- Documents generated: no - CV missing.
- Rationale: central food-production role with bakery assistance and HACCP cleaning. Lower rank because it asks for 1-2 years in bakery/kitchen and mandatory very good German; apply only if Alexandra's CV supports those points.

Top-document targets if the CV is added

If Alexandra's CV is added before the next run, the strongest roles for tailored CV and cover-letter generation are:

1. L'Osteria - Mitarbeiter:in Kueche, Basel
2. Thai Square - Gemuese schneiden & Abwasch, Basel
3. Berest Genuss AG - Hilfskoch / Hilfskoechin, Basel
4. IKEA - Restaurant & Kueche, Pratteln
5. USB - Kuechenangestellte*r EBA apprenticeship, Basel, if apprenticeship timing/pay is acceptable

Excluded or deprioritized roles

- ZFV, Koechin/Koch, Basel/Allschwil: excluded because the fetched official posting requires completed Koch EFZ training, at least five years' cooking experience, and a driving licence.
- ORS Service AG, Koch*Koechin 50%, Basel BAZ: excluded from shortlist because it asks for EFZ and independent meal-production responsibility, despite accepting German B2.
- Adullam-Stiftung, Mitarbeiter:in Kueche als Allrounder, Riehen: deprioritized/excluded because the German listing asks for kitchen-helper/Hilfskoch experience and very good German; potentially revisit if CV confirms both.
- Convalere AG, Koch/Koechin und Kuechenhilfe auf Abruf, Liestal: excluded because the listing states fluent German and several years of gastronomy experience.
- WBZ, Mitarbeiter:in Kueche, Reinach: excluded because the role is reserved for a person receiving an IV pension; only suitable if that specific eligibility applies.
- Viking Cruises / Assets Recruiting, Commis de Cuisine / onboard kitchen assistant, Basel source listing: excluded because the workplace is ship-based/rotational rather than a local Basel-region commute.
- Volkshaus Basel, Aushilfe Servicemitarbeiter:in Fruehstueck: excluded because it asks for strong/fundamental service experience and very good German/English, and it is less direct as a kitchen pathway.
- Hotel Pullman Basel Europe / Hotel Victoria / other Koch or Chef de Partie roles: excluded where postings appeared to require professional culinary qualifications or senior kitchen responsibility.
- Radisson Hotel Group, Kuechenaushilfe / Koch casual: deprioritized because one fetched Kuechenaushilfe page resolved to Ruemlang, outside the preferred Basel commute, and the Basel "Koch casual" listing did not expose enough role detail to verify transition fit.

Blocked sources and missing information

- `cv_input/` contains no usable CV file, so no tailored CVs or cover letters were generated.
- Some direct job URLs returned 404, 403, or generic search pages during fetch. For those, the report relies on available search-result excerpts and cross-checks against official employer career pages where possible.
- Most shortlisted postings did not state application deadlines; many use rolling review or "per sofort / nach Vereinbarung".
- No applications were submitted, no accounts were created, and no employers were contacted.
