CV and document-generation status

The repository does not currently contain Alexandra's CV. I checked the working branch and fetched origin/main; cv_input/ contains only .gitkeep in both places. Because the source CV is missing, no tailored CVs or cover letters were generated. This avoids inventing employment history, dates, languages, education, contact details, chef/kitchen experience, or certifications.

If Alexandra's CV is added to cv_input/, the strongest first tailoring targets from this shortlist are ranks 1-5 below.

Ranked shortlist

1 | Randstad (Schweiz) AG | Kuechenhelfer / Office | Basel | https://www.jobs.ch/de/stellenan gebote/detail/2db9d219-90f1-4803 -b54d-fa87f6701610/ | jobs.ch snippet, listed 2026-08-11 | Deutsch (Fortgeschritten) / good German | Ab sofort laufend; no deadline stated | Very practical entry point into kitchen operations: mise en place, cutting/prep, simple salads/desserts, stock handling, cleaning and hygiene. Gastronomy experience is only "von Vorteil", so reliability, organisation, punctuality and team fit can carry the application. | No - CV missing

2 | Berest AG / Restaurant Iris and Villa Merian | Hilfskoch / Hilfskoechin, Region Basel | Basel, Merian Gaerten | https://www.jobs.ch/de/stellenan gebote/detail/fbd6425c-9681-49d0 -ae0b-fffd66e17b63/ | jobs.ch/XING/jobborse snippets; duplicate postings seen Sept. 2026 | Not stated in available snippet | Saisonstelle through 2026-09-30 with option to extend/permanent | Strong culinary-transition role: first kitchen experience is ideal but training is not mandatory; duties include supporting daily kitchen operations, banquets, catering and preparation work with fresh seasonal products. Development support and no split shifts are positives. | No - CV missing

3 | SV (Schweiz) AG | Lehre Kuechenangestellter EBA (d/w/m) | Basel, Novartis Campus, Hueningerstrasse 121 | https://www.jobs.ch/de/stellenan gebote/detail/26f2dbd2-e7c7-46fe -9ecc-97b6687fee44/ | jobs.ch/jobup snippets, listed 2026-08-17 | Deutsch (Fortgeschritten) / good spoken and written German | Start 2026-08-01; fixed-term apprenticeship | Best structured route if Alexandra wants a formal kitchen qualification. Offers coached kitchen stations, large staff-restaurant/catering environment, mostly Monday-Friday hours and formal EBA progression. Flag: apprenticeship pay and adult/career-changer eligibility should be checked. | No - CV missing

Le Bistrot SA - Gastro-office and kitchen help night shift | Vague source quality and 100% night-shift conditions; lower priority than better-verified roles.
Dottikon Exclusive Synthesis - Kuechenhilfe Personalrestaurant | Outside preferred commute focus and asks for gastronomy experience; deprioritised.

Search/source caveats and follow-up actions

- Missing CV is the main blocker. Add Alexandra's current CV to cv_input/ before generating tailored CV and cover-letter PDFs/DOCXs.
- Several job-board detail URLs returned 404 to the fetcher despite appearing in current search results/snippets. Before applying, open each target link manually and confirm the vacancy is still active.
- Most postings do not state application deadlines. Apply quickly to roles listed "per sofort" or recently posted in September.
- Language is a material constraint. Prioritise roles stating German B2, "Deutsch (Fortgeschritten)", "Deutsch (gute Kenntnisse)", or no explicit fluency requirement. Avoid "Deutsch fliessend", "verhandlungssicher", or "sehr gute Deutschkenntnisse" unless Alexandra can honestly meet that level.
- If Alexandra wants a formal long-term kitchen path, investigate adult eligibility for the SV EBA apprenticeship and the Basel-Stadt Berufsabschluss fuer Erwachsene route.
