Alexandra weekly culinary and hospitality search - 2026-10-16

Run summary

* Run date: 2026-10-16
* Target region: Basel, Basel-Stadt, Allschwil, Liestal, Arlesheim and nearby commuting distance.
* Target roles: kitchen assistant, assistant cook, gastronomy allrounder, catering/event assistant, food-service assistant, dishwasher/office, and realistic hospitality roles with a path toward kitchen work.
* Sources reviewed: about 45 source results/listings across employer pages, jobs.ch/jobup, SV Group, gastrohoteljobs.ch, Jobijoba, Professional.ch, Indeed, Jooble, Hotelcareer, Migros Jobs, Coop Jobs and related aggregators.
* Shortlisted roles: 10.
* Tailored application documents generated: 0. The repository still contains no Alexandra CV file under cv_input/; generating factual CVs or cover letters would require inventing employment history, dates, contact details, languages or education.

Candidate-fit assumptions used

The CV was unavailable, so fit was assessed only against the workflow context: Alexandra is moving from account management/iGaming into culinary and hospitality work. The shortlist therefore favours roles that value reliability, customer service, organisation, communication, fast-paced operations, team coordination and willingness to learn, and it avoids senior culinary leadership roles and postings that clearly require fluent German unless a lower level is explicitly accepted.

Ranked shortlist

Rank | Employer | Role | Location | Source / application link | Language requirement stated | Documents generated? | Rationale and constraints
1 | SV (Schweiz) AG | Gastronomie Allrounder (d/w/m), Aushilfe im Stundenlohn | Novartis Campus, Fabrikstrasse 2, 4056 Basel | SV Group: https://jobs.sv-group.com/job/Gastronomie-Allrounder-%28dwm%29-Aushilfe-im-Stundenlohn/14342-de_CH/ | Good German spoken/written; oral English. Other indexed versions list English basic/intermediate. | No - CV missing | Best overall transition fit. The posting explicitly welcomes career changers, combines guest contact, lunch service, cashier, dishwashing/back-office support and events, and offers SV Academy training. Strong match for customer-service and operations strengths without requiring chef credentials.
2 | Berest Genuss AG - Villa Merian / Restaurant Iris | Hilfskoch / Allrounder (m/w), 40-80%, variable | Merian Gaerten / Basel, Dornacherstrasse 393, 4053 Basel | GastroHotelJobs: https://gastrohoteljobs.ch/de/jobs/72b90241-bdde-46d4-8cf9-fce9d1406676 | German basic; English basic. | No - CV missing | Very strong culinary-transition role: initial kitchen experience is requested, but training is not required; duties include daily kitchen support, banquets, catering and prep work. Clear development angle and option for permanent employment or partner transfer.
3 | L'Osteria / LO Suisse AG | Mitarbeiter Kueche (m/w/d) | Basel | Jobs im Suedwesten indexed listing: https://www.jobs-im-suedwesten.de/job/mitarbeiter-kueche-mwd-1165863 | Not stated in indexed listing. | No - CV missing | Strong kitchen-path role because it explicitly accepts newcomers/career changers and offers in-house training through L'Accademia. Duties include recipe-based preparation, HACCP hygiene, goods receipt and equipment prep. Verify live application route before applying because the source is an aggregator, not the employer page.
4 | Coop Restaurant | Mitarbeiter:in Gastronomie, 8-20 hours/week | Campus Novartis Personalrestaurant, Fabrikstrasse 14, 4056 Basel | Coop Jobs: https://jobs.coopjobs.ch/offene-stellen/mitarbeiter-in-gastronomie/4ad6bd25-ac12-44c8-a9b1-6b47adfd7f52 | Good German spoken/written. | No - CV missing | Good lower-risk hospitality entry point in a food-service environment: buffet service, cashier, guest advice, helping wherever needed, hygiene and dining-room upkeep. It is more front-of-house than kitchen, but it can build Swiss gastronomy experience in a structured employer. Start date listed as 2027-01-01.
5 | Das Viertel | Aushilfskoch_koechin, hourly seasonal support | Muenchensteinerstrasse 81, 4052 Basel | Employer page: https://www.dasviertel.ch/jobs | German or English accepted. | No - CV missing | Attractive language fit and real kitchen exposure in events/nightlife. No

apprenticeship required, but it does require prior kitchen work, evening/weekend availability, and comfort in high-pressure event shifts. Seasonal: November 2026 to January 2027, around 100 hours in November/December.
6 | Randstad (Schweiz) AG | Kuechenhelfer / Office, part-time | Liestal | GastroHotelJobs: https://gastrohoteljobs.ch/de/jobs/ab9651db-04ce-492f-a7ea-7905d652a523 and Jobijoba: https://www.jobijoba.ch/detailanzeige/93/69e27231d0ad3c9dd710839422b0f2e6 | Good German. | No - CV missing | Practical entry kitchen/office role for canteens, cafeterias and restaurants: mise en place, cutting/prep, simple dishes, stock areas and cleaning/hygiene. Experience is "of advantage" rather than mandatory. Direct Randstad page returned 404 during verification, so apply via a live Randstad route if still available.
7 | SV (Schweiz) AG | Servicemitarbeiter Catering & Events (d/w/m), Aushilfe im Stundenlohn | Novartis Campus, Hueningerstrasse 121, 4056 Basel | jobs.ch: https://www.jobs.ch/fr/offres-emplois/detail/3002b754-ab65-4421-8b93-c9a404ac5fac/ | Good German; other languages advantageous. | No - CV missing | Strong account-management transfer fit for event preparation, room setup, guest service, hygiene and coordination across large in-house catering events. It is not kitchen-centred but provides a realistic route into catering operations. Requires category B driving licence and gastronomy training or similar experience is advantageous.
8 | Ullrich Hospitality AG / Streetfood Company | Hilfskoch / Hilfskoechin (m/w/d), 20-100% / listed as 100% | uptownBasel, Arlesheim | Employer page: https://streetfood-company.ch/hilfskoch-hilfskoechin-m-w-d-100/ | Good oral German. | No - CV missing | Real kitchen-production and event-catering exposure with a modern Basel-area employer: food prep, production, kitchen/equipment cleaning and maintenance. Important constraints: category B driving licence is mandatory and prior kitchen-helper experience is requested.
9 | Restaurant Schuetzengarten | Kuechenhilfe (m/w), 80-100% | 4123 Allschwil | Jobijoba: https://www.jobijoba.ch/detailanzeige/93/1051f24f17588bc4b8ed3d83341cb1ab | German oral good; written none. | No - CV missing | Hands-on kitchen and dishwasher role: dishwashing, salads, cold plates, desserts and HACCP hygiene. The language requirement is realistic. Constraint: very short listed duration, 2026-10-01 to 2026-10-31, so it is only worth pursuing immediately or as a bridge role.
10 | ONE PLACEMENT SA, Basel branch | Cooking Assistant / Kitchen Assistant (m/f/d), 80%, residential/nursing home | Basel; agency address Allschwilerstrasse 14, 4009 Basel | jobs.ch English detail: https://www.jobs.ch/en/vacancies/detail/aeeae0b0-4990-4ffb-be6f-144337b5af88/ | German intermediate listed; description says good to very good German mandatory. | No - CV missing | Reasonable kitchen-support path if Alexandra's German is at least solid B1/B2: simple meal prep, kitchen organisation, hygiene, cleaning and respectful resident contact. Constraint: temporary three-month assignment with possible permanent conversion; German may be stricter than the headline suggests.

Best roles for eventual tailored applications

If Alexandra's CV is provided, the top document-generation targets should be:

1. SV (Schweiz) AG - Gastronomie Allrounder, Novartis Campus.
2. Berest Genuss AG - Hilfskoch / Allrounder, Villa Merian / Restaurant Iris.
3. L'Osteria / LO Suisse AG - Mitarbeiter Kueche.
4. Coop Restaurant - Mitarbeiter:in Gastronomie, Campus Novartis.
5. Das Viertel - Aushilfskoch_koechin, if she has any factual kitchen exposure or can honestly frame informal/short-term food-prep experience.

For these applications, the narrative should emphasise an honest career transition from account management/iGaming into hands-on food service, with strengths in reliability, customer communication, structured operations, teamwork under time pressure and willingness to learn basic kitchen routines. It should not claim chef, food-safety or professional kitchen experience unless the missing CV documents it.

Excluded or lower-priority roles

Employer / role | Source | Reason excluded or deprioritised
MERIAN ISELIN Klinik - Kitchen Assistant / Mitarbeiterin Mitarbeiter Kueche | jobs.ch and gastrohoteljobs.ch | Inconsistent source status: gastrohoteljobs listed it as posted 2026-10-06, but direct jobs.ch detail fetched as "Inserat abgelaufen". Excluded from shortlist to avoid an expired listing.
Cantina Don Camillo - Kuechenhilfe | Indeed | Direct Indeed page states the job has expired.
Genossenschaft Migros Basel - Gastro Hilfskraft Hausbaeckerei Bahnhof SBB | Migros Jobs /

Indeed | Direct Migros links returned 404 and Indeed states expired; also required very good German and relevant food/bakery or retail experience.
SV (Schweiz) AG - Abwaescher 80%, Syngenta Rosental | SV Group / jobs.ch / Professional.ch | Indexed results showed it as current, but the direct SV employer page said the position is not available and the Professional.ch page returned 404. Deprioritised despite some current aggregator snippets.
Hotel am Rhy / Basel Marriott - Commis de Cuisine 100% | GastroHotelJobs | Requires completed cook training and at least one year experience; too far from documented transition profile.
Coop Restaurant / Bâle Hotels Group - Koch/Koechin roles | Coop Jobs, Hotelcareer, jobs.ch | Require EFZ/EBA cook training, system-gastronomy experience or professional kitchen credentials; not entry-level transition roles.
Grand Hotel Les Trois Rois service/gastro roles | GastroJob / Jooble | High-end service roles generally require hospitality qualification, fluent German/English and/or prior luxury-hotel experience; not a strong kitchen-transition route.
Restaurant Bundesbahn - Service Assistant | GastroHotelJobs | Service-only role and requires fluent German.
Volkshaus Basel - Service Assistant Breakfast | GastroHotelJobs | Service-only role, requires very good German and English plus sound service experience.
Restaurant Baeren Liestal - Haus- und Kuechenangestellte/r 70% | GastroHotelJobs | Requires fluent/very good German; weaker fit under language rule.
Convalere AG / Angel Steakhouse Liestal - Koch/Koechin und Kuechenhilfe auf Abruf | jobs.ch | Requires completed EFZ/EBA or multi-year gastronomy experience; too senior/credentialed for transition.
Galizi / Parkcafe Birskoepfli - Kuechenhilfe | Indeed | Seasonal role ran March to autumn 2026 and is no longer a good current opportunity on 2026-10-16.
University Hospital Basel - Kuechenangestellte*r EBA apprenticeship | USB careers | Strong training route in principle, but the start date is listed as 2026-08-03, already past as of this run; better treated as a future apprenticeship lead to monitor rather than an immediate application target.

Blocked sources or missing information

* The candidate CV was missing from cv_input/ on both the working branch and origin/main; only .gitkeep is tracked.
* Several direct employer/job-board pages returned 404 or unavailable despite indexed snippets: Adullam Solique, Randstad direct Basel page, Migros Jobs detail pages, SV Abwaescher direct page and Professional.ch Abwaescher detail.
* Some job-board pages appear to redirect expired detail URLs to generic search pages; these were not treated as reliable open listings.
* No tailored CV or cover letter was produced because there is no factual CV source in the repository.

Recommended follow-up

1. Add Alexandra's CV, preferably PDF or DOCX, to cv_input/ before the next run.
2. If German is below B2, prioritise Berest, Das Viertel and L'Osteria-style roles that either accept basic German/English or explicitly welcome career changers.
3. For roles with possible permit constraints, verify Alexandra's Swiss/EU work authorisation before applying, especially Mister Wong/Gastrag-style postings that request CH citizenship or a B/C permit.
4. Re-check the top five links before submitting any application, because several aggregators showed stale postings this week.
