Executive summary

- Listings/source pages reviewed: 35+.
- Roles shortlisted: 10.
- Tailored application documents generated: 0.

- Best immediate leads: Thai Square kitchen helper, L'Osteria kitchen team member, Cantina Don Camillo kitchen helper, McDonald's crew roles in Basel/Allschwil.
- Best formal training leads: SV Group Kitchen Assistant EBA apprenticeship, Kantonsspital Baselland Hotellerie-Hauswirtschaft EFZ, University Hospital Basel Kitchen Assistant EBA apprenticeship.

Candidate-fit assumptions used

Because the CV is missing, assessment used only the task-provided context: career transition from account management/iGaming into culinary/hospitality; transferable strengths in customer service, reliability, organisation, communication, team coordination, fast-paced operations and willingness to learn. No culinary, chef, food-safety or hospitality experience was assumed.

Ranked shortlist

Rank	Employer	Role	Location	Source / application link	German requirement stated	Deadline / status	Tailored docs generated	Rationale
1	Thai Square	Gemuese schneiden & Abwasch / kitchen support	4051 Basel	Indeed: https://ch.indeed.com/job/gem%C3%BCse-schneiden-abwasch-c797141c073c8203?vjs=3	Not stated in captured listing	Open listing; no deadline shown	No - CV missing	Very practical entry route into kitchen work: dishwashing, vegetable prep, simple dishes by instruction, hygiene and team support. Minimum 50% and no formal kitchen qualification shown.
2	L'Osteria - LO Suisse AG	Mitarbeiter Kueche (m/w/d)	Basel	Jobs im Suedwesten: https://www.jobs-im-suedwesten.de/job/mitarbeiter-kueche-mwd-1165863 ; employer careers overview: https://losteria.net/ch/karriere/	Not stated in captured listing	Listing shows published 22.08.2026; no deadline shown	No - CV missing	Explicitly welcomes Quereinsteiger:innen and says the team will teach what is needed. Duties include recipe-based preparation, HACCP routines, goods receipt and cleaning. Strong transition role if she is comfortable with full-time kitchen pace.
3	Cantina Don Camillo Restaurant	Kuechenhilfe / Abwasch	4058 Basel	Indeed: https://ch.indeed.com/job/k%C3%BCchenhilfe-3c71d373a7c0d55c?vjs=3	Not stated in captured listing	Open fixed-term listing; no deadline shown	No - CV missing	Strong entry fit: dishwashing, basic prep/anrichten and cleaning. The requirement is "Kuechenerfahrung oder hohe Motivation dies anzueignen", which is realistic for a career changer.
4	McDonald's Switzerland	Crew	Barfuesserplatz 9, 4051 Basel	Employer: https://jobs.mcdonalds.ch/de-ch/crew/job/P8-319046-1	Not stated in listing	Open direct employer page; no deadline shown	No - CV missing	No prior experience required; duties combine service, kitchen, counter, cleaning and teamwork. Good first Swiss hospitality step, though less culinary-specific than restaurant kitchen helper roles.
5	McDonald's Switzerland	Crew	Paradieserain 1, 4123 Allschwil	Employer: https://jobs.mcdonalds.ch/de-ch/crew/job/P8-319044-2	Not stated in listing	Open direct employer page; no deadline shown	No - CV missing	Same no-experience entry path as the Basel crew role, with kitchen and service exposure. Nearby target location and useful training/structure for a hospitality transition.
6	Randstad Switzerland	Kuechenhelfer / Office, part-time	Liestal / regional canteens, mensas, restaurants	Randstad category page: https://www.randstad.ch/it/lavoro/s-horeca/s2-personale-di-cucina/r-dipendenti-ristorante/ ; aggregator detail: https://www.jobijoba.ch/detailanzeige/93/69e27231d0ad3c9dd710839422b0f2e6	Good German required	Ongoing/temporary listing; no deadline shown	No - CV missing	Useful if she wants flexible, lower-commitment kitchen exposure. Duties include mise en place, simple dishes, stock/cold-room support, cleaning and hygiene. Agency listing should be confirmed directly before applying.
7	SV (Schweiz) AG	Lehre Kuechenangestellter EBA (d/w/m)	Hueningerstrasse 121, 4056 Basel, Novartis Campus	Employer: https://jobs.sv-group.com/job/Lehre-K%C3%BCchenangestellter-EBA-%28dwm%29/13845-de_CH/	Good German in speech and writing	Open direct employer page; starts 1 August, year to confirm	No - CV missing	Strongest structured culinary pathway. Formal EBA kitchen training with food preparation, stations, goods receipt and catering exposure. Trade-off: apprenticeship pay and multi-year commitment.
8	Kantonsspital Baselland	Fachfrau/Fachmann Hotellerie-Hauswirtschaft EFZ in Ausbildung 2027	Liestal	Employer: https://karriere.ksbl.ch/de/berufsbildung/hauswirtschaft-efz/offene-ausbildungsplaetze-hauswirtschaft/	Not explicitly stated on captured open-place page; general role requires school completion and customer contact	2027 apprenticeship intake; no deadline shown	No - CV missing	Broader hospitality route with kitchen, dishwashing, restaurant, room service, logistics and simple food preparation. Less culinary-specific than a kitchen EBA, but realistic for a career transition into

institutional hospitality. |
| 9 | Universitaetsspital Basel | Kuechenangestellte*r EBA (Lehrstelle) 100% | Petersgraben 4, 4031 Basel | Employer: https://job.unispital-basel.ch/offene-stellen/kuechenangestellte-r-eba-lehrstelle/38706b5f-f7e3-42c6-8cad-2b2455a71258 | Not stated in captured listing | Direct page open; displayed date 03.08.2026 appears to be the start date, so late-entry availability must be confirmed | No - CV missing | Good formal kitchen path: vegetable prep, cold/warm dishes, plating, cleaning and stock handling. Ranked lower only because the displayed start date appears to have passed. |
| 10 | Compass Group (Schweiz) AG | Betriebsmitarbeiter Catering 80-100% (m/w/d) | Basel | XING: https://www.xing.com/jobs/basel-betriebsmitarbeiter-catering-80-100-156494842 ; StudySmarter mirror: https://talents.studysmarter.de/companies/compass-group-schweiz/betriebsmitarbeiter-catering-80-100-m-w-d-38799723/ | Good German in speech and writing; English/French beneficial | Search result indicates current; direct XING fetch returned 404 from fetch tool | No - CV missing | Potentially relevant because service/customer experience transfers to catering, buffet, cashier and events. Lower rank because it expects gastronomy or service experience, HACCP/EKAS familiarity and source verification was indirect. |

Recommended follow-up sequence

1. Add Alexandra's current CV to `cv_input/` before the next run so tailored CVs/cover letters can be generated honestly.
2. If applying manually this week, start with Thai Square, L'Osteria, Cantina Don Camillo and McDonald's Basel/Allschwil because they present the lowest barriers to entry.
3. If Alexandra is open to formal retraining and apprenticeship pay, confirm the start year/date for SV Group and University Hospital Basel, and consider KSBL for a broader institutional hospitality route.
4. For any German-language role, confirm Alexandra's actual German level against the listing before applying. Avoid roles requiring fluent German unless she can document that level.

Excluded or deprioritised roles and reasons

Employer / source	Role	Reason excluded or deprioritised
SV (Schweiz) AG	Gastronomie Allrounder (d/w/m), Ref. 14342	jobs.ch/search snippets looked suitable for career changers, but the direct SV employer page returned "currently not available"; excluded from shortlist as not reliably open.
IKEA Basel-Pratteln	Mitarbeiter:in IKEA Restaurant & Kueche	Search snippets showed apparently suitable food-service roles, but both official IKEA job URLs returned 404; excluded until a live employer page is available.
Manor Basel	Mitarbeiter*in Service 50%	Excluded because the listing states "fliessend Deutsch"; task says not to include roles requiring fluent German unless B2 or lower is explicitly accepted.
Nooch Reinach / Familie Wiesner Gastronomie	Abwaescher*in 80-100%	Direct evidence showed the listing is open through 2026-12-12, but it asks for multi-year kitchen experience and good German. Too high a kitchen-experience requirement for this transition.
Migros Restaurant Rheinfelden	Studentenaushilfe Restaurant/Buffet/Kasse/Kueche 20-40%	Conditional/low priority because it is specifically a student assistant role and asks for very good German.
WBZ Reinach	Mitarbeiter:in Kueche	Excluded because the role is reserved for a person with an IV pension.
ESB Baselland	Kueche/Hauswirtschaft roles	Excluded because the role is for accompanied work for people with an IV pension.
Ruocco	Mitarbeiter/in Produktion 80%	Aggregators labelled Basel, but direct/employer information points to Schuepfen, Bern, outside the requested commuting region.
Ryago Catering	Hilfskoch	Hotelcareer showed the role as no longer available.
Galizi / Parkcafe Birskoepfli	Kuechenhilfe seasonal	Season ended in autumn 2026; not currently suitable.
Berest, Coop Restaurant, St. Alban Stuebli, Pullman/Victoria hotel kitchen roles	Koch/Koechin, Chef de Partie, formal cook roles	Excluded where listings required completed cook training, EFZ/EBA, several years of professional kitchen experience or senior station responsibility.
Sole & Sar / Asian Harmony	Hilfskoch / Asian kitchen roles	Excluded because they require specific Asian/Mongolian kitchen experience.

Blocked sources and missing information

- `cv_input/` has no CV document, only `.gitkeep`; this blocked tailored application documents.
- Indeed direct listing fetches returned 401 Unauthorized through the fetch tool, so Indeed details were captured from search result content rather than direct page fetch.
- Some jobs.ch direct fetches rendered a generic category/search page instead of the specific listing; where possible, details were cross-checked through search snippets or employer pages.
- Manor direct Solique fetch timed out, but multiple search results mirrored the same fluent-German requirement.
- The SV Group allrounder direct employer page returned "currently not available", so that otherwise promising role was excluded.
- The IKEA official job URLs returned 404, so IKEA was excluded despite promising search snippets.

Application document status

No tailored CV or cover-letter documents were generated for any role because Alexandra's CV is missing from `cv_input/`. Generating role-specific PDFs/DOCXs without the CV would require inventing or assuming

facts about her employment history, education, languages, certifications and contact details, which would violate the accuracy rules for this workflow.
