Roles excluded or not shortlisted

- IKEA Basel-Pratteln, Mitarbeiter:in IKEA Restaurant & Kueche 30-80% / 40-60% : otherwise relevant food-service roles, but they require "fliessend Deutsch"; excluded under the language rule.
- Wassermann & Company, Aushilfe Kueche/ Eventcatering: excellent training-friendly content, but the employer page states "Bewerbungspause" and the process is paused until December except for trained gastronomy applicants.
- L'Osteria Basel, Mitarbeiter Kueche: a search snippet/ aggregator showed a strong Quereinsteiger kitchen role, but the aggregator URL returned 404 and the direct L'Osteria careers page did not show a specific live Basel vacancy.
- Randstad/ jobs.ch Kuechenhilfe/ Office Basel: search result looked relevant, but direct jobs.ch detail returned 404; kept out of shortlist.
- One Placement Spital-Kuechenhilfe 80% Basel: search snippet looked plausible, but the direct Jobijoba page returned 404 during fetch; not shortlisted without a live detail page.

- ZFV ETH Gastronomie Basel Koch/ Koechin roles: live Basel/ Allschwil roles require Koch EFZ and 3-5 years' professional cooking experience.
- Coop Restaurant Basel system-gastronomy apprenticeships: some search results were already marked as filled on fetch; other Coop cook roles had insufficient detail and likely trained-cook expectations.

Follow-up actions

1. Add Alexandra's current CV and any language/ certification evidence to `cv_input/ `.
2. Confirm Alexandra's German level before applying to roles marked "very good German" or "good German".
3. If apprenticeship salary/ timing is acceptable, prioritise Basel Marriott EFZ and verify the SV EBA start year because they are the most honest kitchen-career transition pathways.
4. If immediate paid work is the priority, check Adullam, Les Trois Rois, Berest and Migros BZM first.
5. Re-check Berest immediately because the seasonal role is listed only until 30.09.2026.
